

NUF2022 programme - PRELIMINARY

WEDNESDAY JUNE 8th

NUF
2022

June 8-11, 2022
Helsinki, Finland

Room 102

13:00-16:30 NUF WORKING GROUP MEETINGS

- 13:00-14:30 UROTHELIAL GROUP (Room 215)
- 13:00-14:30 PENILE CANCER GROUP (Room 216)
- 13:00-14:30 STONE GROUP (Room 217)
- 14:45-16:15 SPCG – SCANDINAVIAN PROSTATE CANCER GROUP (Room 215)
- 14:45-16:15 KIDNEY GROUP (Room 216)
- 14:45-16:15 TRAUMA AND RECONSTRUCTION GROUP (Room 217)

10:00-16:30 RESIDENTS DAY

Nordic residents in urology day

Acute Urology (including iatrogenic): Lecturer names and affiliations

- TBA

- 10:00-10:15 Welcoming, introduction
- 10:15-11:00 Acute Infections
 - Fournier's gangrene
 - Pyonephrosis, emphysematous pyelonephritis

11:00-11:10 Break

- 11:10-12:00 Bladder and urethral trauma
 - Bladder and urethral trauma
 - Urethral (pelvic fractures, foreign body)
 - Bladder rupture (including iatrogenic)

12:00-13:00 Lunch

- 13:00-14:15 Acute genitalia
 - Torsio testis
 - Testicular trauma
 - Priapismus
 - Penile fracture

14:15-14:30 Coffee break

- 14:30-15:30 Ureter and Kidney, trauma, infection, bleeding tumors
 - Iatrogenic ureter trauma
 - Kidney
- 15:30-16:30 Urologic residency: US and Nordic experience

Room 103 Nurses programme

10:00-11:15 Uncommon urological diseases

- 10:00-10:45 Penile cancer
Antti Kaipia, MD, PhD, Professor Tampere University Hospital, FI
- 10:45-11:15 Men's experiences with penile cancer
Minna Törnävä, PT, PhD, Tampere University of Applied Sciences, FI
- 11:15-11:45 Supporting penis cancer patients by means of sexual therapy
Maia Pekki, registered nurse, sexual therapist student, Helsinki University Hospital, FI

13:00-13:30 Uncommon urological diseases (Room 103)

- 13:00-13:30 Urological birth defects
Rikke Knudsen, specialist nurse, department of urology, Aarhus University Hospital, DK

13:30-16:15 Hospital Visits

- 13:30-14:00 Transition to the hospital
- 14:00-16:15 Hospital Visits

Room 101

16:30-17:30 OPENING CEREMONY AND EAU LECTURE

EAU LECTURE - The future of EAU Guidelines

Professor Maria Ribal, Head of Uro-Oncology Unit, Hospital Clinic. University of Barcelona, Head of EAU Guideline Office

19:00-20:30 WELCOME RECEPTION

20:00-23:00 RESIDENTS DINNER

THURSDAY JUNE 9th

08:00-09:45 Prostate cancer

08:00-08:05 Opening, *Prof. Ola Bratt*

08:05-08:25 Role of MRI and PET in PCa diagnostic evaluation

Fredrik Jäderling, Karolinska

08:25-09:45 MRI and new biomarkers in PCa screening

Prof Anssi Auvinen

08:45-09:05 PCa prognostics

PhD Andrew Erickson

09:05-09:25 Role of RP and RT in primary oligometastatic PCa,

Dr. Bjørn Brennhovd, Oslo, Norway

09:25-09:45 Role of palliative cystoprostatectomy for symptomatic

advanced prostate cancer, *Martin Andreas Røder, Denmark*

Conclusion

08:00-09:45 Urothelial cancer session

NorCys Trial and Radical Cystectomies in the Nordic Countries in 2022

Peter Boström, Turku University Hospital, Finland

Practical Issues Regarding New Strategies for TURB with En-bloc, Laser etc. as an Overview

Jorgen Bjerggaard Jensen, Aarhus University Hospital, DK

Nordic Survey of the Upper Tract Urothelial Carcinoma

Kimie Oedorf, Herlev Hospital, DK

Side-effects of the BCG instillations- The Dwell-time Study

Lene Munk, Aarhus University Hospital, DK

08:00-09:45 Urological nursing at patients' home

08:00-08:35 Bladder rinsing treatments at patients' homes

Erica Grainger, registered nurse, incontinence nurse, Syddjurs Community, DK

08:35-09:10 Guiding self-catheterization at patients home

Mira Inkinen, registered nurse, urotherapist and Seija Salomaa, registered nurse, urotherapist, MSc, Päijät-Häme Joint Authority for Health and Wellbeing, FI

09:10-09:45 Catherization problems at patients home

Erica Grainger, registered nurse, incontinence nurse, Syddjurs Community, DK

9:45-10:15 Coffee break & exhibition

10:15-12:00 Artificial intelligence (AI) and Big Data in urology

10:15-10:20 Opening, *Antti Rannikko*

10:20-10:40 Lessons learned from setting up EU wide Big Data initiative - The PIONEER *Prof. Maria Ribal*

10:40-11:00 AI for Image-based Diagnostics

Prof. Juhani Lundin, Helsinki University and Karolinska University

11:00-11:20 Bladder cancer diagnostics using AI

Jacob Elmose Jensen, specialist in urology, Aarhus University Hospital, DK

11:20-11:40 Biobanks and datalakes in cancer research

Prof. Anders Bjartell

11:40-12:00 EHR systems – friend or enemy – *TBA*

Conclusion

12:00-13:00 Lunch and satellite symposium by the NUF2022 Gold sponsor (for doctors only)

13:00-14:45 Kidney cancer

13:00-13:17 Histology and putative novel biomarkers in outcome prediction of RCC *Tuomas Mirtti HUS*

13:17-13:29 Liquid biopsy

Lars Lund, Odense University Hospital, Odense, Denmark

13:29-13:46 Hereditary RCC syndromes

TBA

13:46-13:58 BOS3 study report

Juhana Rautiola HUS and Karolinska

13:58-14:15 Advanced RCC– surgery

Harry Nisen, HUS

14:15-14:32 Advanced RCC– adjuvant and neoadjuvant treatment

Kalle Mattila Turku University Hospital

14:32-14:45 Cases of advanced RCC

Interactive discussion about management

13:00-14:45 Trauma & reconstruction

Opening words

Basics of trauma management, *TBA*

Genital trauma, Case-based approach with voting

Rafn Hilmarrson, Reykjavik /Teresa Okerhult, Gothenburg

Urethral trauma, Pelvic fracture urethral injury

Case-based approach with voting

Ole Jacob Nilsen, Rikshospitalet, Oslo /Jukka Sairanen

Key points of assessment and management of bladder trauma

Case-based approach with voting

Lisbeth Salling, Rigshospitalet, Copenhagen

Key points of assessment and management of ureteral trauma

Case-based approach with voting, *Henning Olsen, Århus*

Renal trauma, Case-based approach with voting

Gigja Gudbrandsdottir, Bergen /Ralph Peeker, Gothenburg

Closing words

12:00-13:00 Lunch & exhibition

13:00-14:45 Incontinence and sustainability in nursing

13:00-13:35 Women's experiences of urinary incontinence

Margareta Fransson, registered nurse, urotherapist, Region of Östergötland, SWE

13:35-14:10 The job description of a incontinence nurse in the care of a sacral neuromodulation patient

Kaisa Helin, registered nurse, incontinence and stoma nurse, MSc, Tampere University Hospital, FI

14:10-14:45 The pad project: Rethinking incontinence care through sustainable development

Tiina Vaittinen, PhD, Academy of Finland Postdoctoral Research Fellow, Tampere University, FI

14:45-15:15 Coffee break & exhibition

15:15-17:00 Teamwork and new methods

15:15-15:50 Team model in urological outpatient clinic

Elina Soini-Koskinen, head nurse, Hanna Veijola, registered nurse, team leader, urotherapist, and Sara Karnell, registered nurse, CRN, Turku University Hospital, FI

15:50-16:25 "Mobile documentation enables more time for patient"

– aspects for mobile documentation in specialized health care, *Sini Laukkanen, Tampere University Hospital, FI*

16:25-17:00 Module practice on a hospital ward

Jani Kokkonen, registered nurse, assistant head nurse, MSc, Tampere University, Hospital, FI, Tampere University Hospital, FI

14:45-15:15 Coffee break & exhibition

15:15-17:00 Poster session1

15:15-17:00 Poster session 2

17:15-18:15 Industry sponsored satellite symposia

Nurses programme

102103

FRIDAY JUNE 10th

08:00-10:00 Evidence based medicine (EBM) in urology

08:00-08:05 Intro, *Professor Gordon Guyatt*
08:05-08:20 Importance of relative versus absolute effect, *Witte LPW*
08:20-08:35 Heterogeneity in systematic reviews, *Puerto Nino AK*
08:35-08:50 Subgroup analysis in randomised trials, *Kilpeläinen T*
08:50-09:05 surrogate endpoints – pro, *Martini A*
09:05-09:20 surrogate endpoints– con, *McAlpine K*
09:20-09:35 when is a study or meta-analysis big enough, *Bausch K*
09:35-09:50 Trustworthy guidelines, *Violette PD*
09:50-10:00 Conclusion, *Prof Kari Tikkinen*

10:00-10:30 Coffee break & exhibition

10:30-11:00 ICS Lecture, TBA

11:00-12:30 LUTD - living with the late effects of cancer treatment

11:00-11:15 Male incontinence work up incl. urodynamics
Henriette VH/Lotta RK
11:15-11:30 Male incontinence treatment incl. complications of the treatment
Vincent Tse, a consultant urologist at Concord Hospital and Mac-quarie University Hospital in Sydney, and Associate Professor in the Faculty of Medicine at the University of Sydney, Australia.
11:30-11:45 Bladder dysfunction in males and females
Sachin Malde is a Consultant Urological Surgeon at Guy's and St Thomas' Hospital, London, UK.
11:45-12:00 Radiation cystitis, complications of instillation therapy
Karin Hjelle
12:00-12:15 Devastated outlet, AUS cripples, symphysitis and fistulas
Francisco Martins
12:15-12:30 QOL, living with late effects, sexuality
Charlotte H Graugaard-Jensen

11:00-12:30 Stones, infections and erectile dysfunction

Opening – *Arto Mikkola, HUS*
ESWL or endoscopy for upper UT stones: ESWL
Arto Mikkola, HUS
How to minimize prostate biopsy related infections?
Kanerva Lahdensuo, HUS
How to sequence treatments for ED
TBA
Implant(s) for ED: when, how and by whom?
TBA
Conclusion

Nurses programme

11:00-12:30 Patient safety and quality of care

11:00-12:00 Second victims – how to survive after severe adverse events
Sally Leskinen, Medical Director, Kanta-Häme hospital district, FI
12:00-12:30 Case Management and Interprofessional Collaboration
Eeva-Kaisa Hannelin, case manager, Vaasa Central Hospital, FI
11:00-12:30 Nurses Programme - Patient safety and quality of care
11:00-12:00 Second victims – how to survive after severe adverse events
Sally Leskinen, Medical Director, Kanta-Häme hospital district, FI
12:00-12:30 Case Management and Interprofessional Collaboration
Eeva-Kaisa Hannelin, case manager, Vaasa Central Hospital, FI

12:30 -13:15 Lunch & exhibition

13:15-14:15 NUF General Assembly

14:15-14:45 Coffee break & exhibition

14:45-16:15 Quality and effectiveness of urological treatments and patient care – why do we need national and international registries

14:45-15:05 Swedish National Quality Registries
Petra Hasselqvist, Senior Advisor, Swedish Association of Local Authorities and Regions (Sveriges Kommuner och Landsting, Nationella stödfunktionen för Kvalitetsregister)
15:05-15:25 Findings, trends and learnings from Swedish urological cancer registries
Pär Stattin, Professor, Uppsala University, Department of Surgical Sciences (Uppsala universitet, Institutionen för kirurgiska vetenskaper)

14:45 – 16:15 Bladder, penile and testicular cancer

What to do with the MIBC patient in 2022?
TBA
An overview of the two dilemmas/choices: Cystectomy vs bladder sparing?
TBA
Chemo vs immunotherapy in the neoadj setting and at the time of recurrence?
Jorgen Bjerggaard Jensen, Aarhus University Hospital, DK

14:45-16:15 Bladder cancer

14:45– 15:20 None-muscle invasive bladder cancer – diagnosis, treatment and follow-up
Pyry Jämsä, MD, PhD, Tampere University Hospital, FI
15:20-15:50 The job description of a care planner in the care of a TURB patient
Mira Peltonen, registered nurse, care planner, Helsinki University Hospital, FI
15:50 – 16:15 TURB from the perspective of operating room nurse
Merja Jutila, registered nurse, MSc, Vaasa Central Hospital, FI
16:15-17:45 Urological patient's story
TBA

NUF
2022

NUF
2022

June 8-11, 2022
Helsinki, Finland

15:25-15:45 National quality registration effort in urology in Finland
Otto Ettala, MD, PhD, Senior consultant in urology, Turku University Hospital, University of Turku

15:45-16:15 Discussion – What would be the optimal way to collect quality data and motivate healthcare professionals to actively use it

16:15-16:45 Coffee break & exhibition

16: 45-17:45 Poster session 3

16: 45-17:45 Poster session 4

19:00-23:00 Congress Dinner

SATURDAY JUNE 11th

9:00-11:00 Souvenir session 1

09:00-09:20 Guidelines and evidence-based medicine + best poster

09:20-09:30 Big data and AI + best poster

09:30-10:00 Prostate cancer + best poster

10:00-10:25 Bladder cancer + best poster

10:25-10:50 Kidney cancer + best poster

10:50-11:20 Trauma, reconstruction and penile surgery + best poster

11:00– 11:30 Coffee break

11:30-12:15 Souvenir session 2

11:30-12:50 Functional urology + best poster

12:50-12:10 Stones, infections and erectile dysfunction + best poster

12:10-12:30 Closing remarks

12:30-13:30 Farewell lunch
