**2022**

June 8-11, 2022  
Helsinki, Finland

## **WELCOME**

It is a great pleasure to invite you to the 33<sup>rd</sup> NUF Congress  
(Scandinavian Association of Urology) in Helsinki, Finland, June 8 – 11, 2022.

The NUF2022 congress is organized by urologists and urological nurses from Helsinki University Hospital in collaboration with the Finnish Urological Association, Association of Urologic Nurses of Finland and Scandinavian Association of Urology (NUF –Nordisk Urologisk Förening).

After delay caused by COVID19 pandemic to NUF congress plans, we are more than happy to finally be able to invite urologists and urological nurses from all Nordic countries to NUF2022 congress to Helsinki.

The program of NUF2022 will feature state-of-the-art lectures from opinion leaders in urology, debates on controversial issues in urology and proceedings in urological research. NUF2022 will cover topics from urological cancers, benign prostate hyperplasia, functional urinary tract problems, trauma and reconstructive surgery, overdiagnosis and overtreatment to use of artificial intelligence. There will be a lot of exciting programme also for urological nurses and a special resident's day on June 8<sup>th</sup> for residents in urology.

The congress venue will be Messukeskus ([www.messukeskus.com](http://www.messukeskus.com)), the largest and most versatile event venue in Finland. It is ideally located in the city centre, close to the congress hotels and has excellent access by public transportation.

We invite you also to take part in the social programme including welcome reception, residents' dinner and congress dinner. Excursions to see and experience Helsinki and Finland are also available.

Come and enjoy Finland's beautiful capital, excellent professional and social agendas and exciting travel opportunities.

We look forward to seeing you in Helsinki, Finland in June 2022!

On behalf of the NUF2022 Organising Committee,

Mika Matikainen

Congress President
